Football Teams Representing the Orphanage Had Successful Season

Barium Elevens Won 27 of 34 Contests Played, Lost 6 and Tied One

125-POUNDERS BEST

All Five Barium Teams Scored 560 Points to Opponents' 95

The 1932 football season at the Presbyterian Orphans' Home has ended, and the tabulated results listed below of all five of Barium's competitive teams is a clear indication that the Orphanage had a successful fall on the gridiron. Football not only served to engender a splendid spirit of play among all of the participants, but the teams were unusually aggressive and came off the field victorious far more times than they left defeated.

Thirty-four games were played by the quintet of elevens that performed under Barium colors, and 27 of the contests were won, one was tied, and only six defeats were registered against the Orphanage. In these 34 tilts, Barium piled up a massive total of 560 points, an average of over 16 points per game, while the opponents were able to garner but 95 tallies, for an average of almost three points per encounter.

The 125-pound and 80-pound aggregations went through the season undefeated and unscored upon. The former played nine engagements, and ran up a stupendous total of 218 points to their opponents' none. Several times the ball was in Barium's sacred zone in the possession of the other team, and once it was on the six-inch line with first down and goal to go. But that team, and others, never scored. The 80-pounders did not play but three games, all of which were with Belmont, and they counted for 33 points against none for Belmont.

Most unsuccessful this fall was the 100-pound group, which won only one out of four games, and it was the only team which scored less than the opponents. The 100-pounders made a total of 26 points to the oppositions' 51.

But one game was lost by the 115-'ers, and this was the last fracas of the season, when Belmont eked out a 6 to 0 win for the only points tallied against this eleven. They won six other contests, and rolled up a total of 127 points in those games.

Barium's varsity played the longest schedule of all five aggregations, and had they won over Winston-Salem high the season would have been pronounced an overwhelming success. As it is, the adjective "overwhelming" is left off, but the varsity did have a successful fall. They won eight of the eleven games, tied one and lost two. They chalked up 150 points to their opponents' 38, and 19 of these came in the curtain-ringer when Winston-Salem took advantage of a momentary lapse by the varsity and scored that many points in the second quarter.

In addition to these competitive teams, the 60-pounders played numerous times between themselves during the halves of other contests, and generally it was a scoreless tie. The only day they performed away from the campus was on November 12th., when they gave thrills to several thousand football fans at the Davidson College Home-Coming Day. They battled between halves of the Carolina-Davidson tussle.

The following is a complete statistical summary of the performances of Barium's football elevens of 1932:

Alumni Events Of Wide Interest

Important Events Take Place Among Members of Alumni Body

PERSONALS

Former Barium students who have made Thanksgiving contributions direct to the Orphanage include Miss Zella Bradford, '02, of Fargo, N. Dakota, who sent a gift on behalf of herself and her two sisters, Mrs. Annie Bradford Craig, '02, of Liberty, S. C., and Mrs. J. F. Branson, formerly Miss Edna Bradford, of High Point; Mrs. Edwin Kyles, formerly Rachel Moore, '26, of Statesville; Walter Beattie, '27, of Charlotte; Angelina Bernardo, '27, and Hilda Bernardo, both of Charlotte; Lafayette Donaldson, '31, who is now working at Barium; Sylvia Brown, of Valdese, who left in September, '32; Zora Lee, of Valdese, who left last summer, and Leona Morgan, '31, of Greensboro. Many others made their orphanage contributions through the churches of which they are members.

Ruth Bobbitt, '32, who is now working in Durham, visited Barium on Thanksgiving Day.

Mildred Warner and Martha Beattie, both of the class of 1931, are now working at Kress', in Charlotte.

Benny Harrell, who is at the Red Cross Sanatorium in Wilmington wrote his usual interesting letter to the Orphanage, and was enthusiastic over the football season.

Annie Lou McKee, who left the Orphanage in August, 1932, is now in school at Clarkton. She writes that she misses her friends at Barium very much. Annie Lou gave her place at Barium to her little sister, Hattie, saying that she felt Hattie should have all of the advantages and opportunities that this institution had to offer.

Earl Dunn, 1927 graduate, who is now working in Durham, visited here on Thanksgiving Day. Robert Pittman, '29, who also has a position at Durham, accompanied his mother to Barium on Thanksgiving to visit relatives here. Robert attended Duke

Approximately 100 Alumni At Home-Coming

Full Day of Activity Participated in By Former Barium Students

OFFICERS ELECTED

Jos. B. Johnston, Manager of Orphanage, Made Talk to the Alumni

The 1932 Home-Coming Day celebration, the fourth annual event of this nature, was held at Barium on November 11th, with the result that approximatly 100 former students at the Orphanage returned to the campus for the festivities. The returning number included one of the first students to be registered at Barium to several of the 1932 graduating class.

It was a full day of activity, starting with an address at 11 o'clock by Rev. J. Clyde Yates, pastor of the Front Street Baptist Church in Statesville, and concluded with the Greensboro—Barium football game in the afternoon. Interspersed between was the luncheon and a meeting of the Alumni Association.

At the latter, James Gray, of Statesville and Miss Hilda Bernardo, of Charlotte, were re-elected president and secretary-treasurer, respectively for 1932-1933, and Clingman Long, of Charlotte, was chosen as vice-president.

After the business of the Association was transacted, the meeting developed into an informal discussion. Jos. B. Johnston, manager of the Orphanage, spoke to the group, touching upon a new feature of The Barium Messenger and athletics at Barium. He told the assembled group of the plans to have an alumni column in The Messenger, and urged them to send items for publication. He also outlined the athletic policy at the Orphanage, and asked for the continued interest of the alumni.

The address of Rev. Mr. Yates was a Home-Coming and Armistice Day talk. He spoke of the "hovering wings of an institution like this," and welcomed the alumni. He then went into a discussion of world peace, citing the manifold horrors of war with resulting devastation and urged his hearers to catch a vision of world peace, venture forth in the direction of a worthy goal, and thus

The Table of receipts for November and the early Thanksgiving returns is here before you. Examine it carefully. There are some things that are encouraging about this, compared with last year at this same date, we are $1,706.34 ahead for the month. Compared with the previous year, we are $729.00 behind.

The last column which shows the amount behind for each Presbytery is a big improvement over last year. The average for the Synod being 41.4 cents, as against 65.1 cents last year. Part of this difference is because of the lowered budget this year. We are operating on an average of ten cents per month per church against 12½ cents per member last year; and that means that the amount due at this time is eighty cents per member; whereas, on last year's estimate it would have been $1.00 per member.

The total amount contributed at this time is 38.6 cents per member. Not quite half way of the eighty cents, and yet, that is nearly four cents better than this same date last year.

We have received very few checks from the larger churches. Quite a number of the smaller churches have sent in their entire contribution.

We hope that the report of this Table in January will be the best in years.

Quite a number of the Thanksgiving offerings do not reach us until January, although the church Treasurers send it in sooner; but when it is sent to the Presbytery's Treasurer it usually slows up the final receipt by us at least thirty days.

For instance, if you send your check to the Presbytery's Treasurer on the first day of December, we will ordinarily get it within the first ten days of January, and then it can not be reported until the February Messenger.

We note that four of the Presbyteries have passed the half-way mark which is three more than were this time last year.

Everyone of the Presbyteries, without exception, shows a larger contribution this year than last for this date.

The improvement is very small in some cases; in others quite large. We believe all of these things are a hopeful sign, and we give you this information with gratitude and a firm belief that our faith in you has been justified and will continue to be so.

Varsity Football Season Is Closed

Victorious Over Greensboro and Oxford, but Winston-Salem Wins

Barium Springs varsity football team ended its 1932 season in Winston-Salem on Saturday, November 26th., by suffering its second defeat of the fall, and the fourth loss that it has been dealt during the past four years. It was not a glorious closing to a successful season, but there was nothing inglorious in the 1932 record, which showed eight victories, one tie encounter and two defeats.

This, however, is not a resume of the entire fall season, for this will be found elsewhere in The Barium Messenger, when the performance of all of the Barium teams is reviewed. Continuing its policy of briefly reporting the gridiron encounters, The Messenger is giving below a short account of the three games that have been played since November 4th.

After its upsetting victory over the Sanford high the week previous, the Barium varsity continued its

The Alpha And Omega Of Barium Football

The above picture shows the development of Barium's football material. On the bottom row are members of the 60-pound team, which has no outside games (the captain says everybody seems "skeered to play 'em".) The next row displays samples of the 80-pounders. Then, the 100-pound boys, the 115'ers, the 125-pound crew and finally, the varsity.

It seems just a few years ago that the present varsity belonged in that bottom row. Every member of the 1932 varsity entered Barium before his twelfth birthday, and quite a few of them entered the Orphanage before they were three years old.

A Letter

One of the factors which made the Home-Coming of the Presbyterian Orphans' Home successful was the appearance of the excellent Lenoir High School Band, which came to the Orphanage expressly to play for the Greensboro High-Barium football game and to give a drill demonstration between halves. This fine assembly of musicians, under the direction of Capt. James C. Harper, enlivened the day and game considerably. A pleasant aftermath was afforded the Barium authorities when the following letter was received a few days ago from the director of the organization:

(FORM OF BEQUEST.)

"I give and bequeath to the REGENTS OF THE ORPHANS' HOME OF THE PRESBYTERIAN SYNOD OF NORTH CAROLINA, *Incorporated Under the Laws of the State of North Carolina,* (HERE NAME THE BEQUEST.)

AND A LITTLE CHILD SHALL LEAD THEM

At this time of year, after the busy months preceding Thanksgiving, we sometimes feel constrained to write our observations and reactions from meeting people when presenting the Orphanage cause to them. During the months of October and November it is usually our privilege to speak on the average of about five times a week to various church organizations; Kiwanis and Rotary Clubs; and everywhere where two or more people are gathered together.

We have been interested in noting just what aspect of Orphanage life appeals to them most. It is not hard for a speaker to find out these things, and he has to find them out if he hopes to continue speaking.

We have prepared speeches most laboriously, giving the history of the Orphanage movement back to its beginning, and have found that when we delivered these speeches, the people went to sleep on us. We have prepared arguments by the page showing why a community or State must not neglect the care of dependent children; how such neglect inevitably comes back and demands many more times money in the handling of the crime and disease brought about by the neglect of children; and in delivering such a speech, we have noted many folks pulling out their watches and maybe tip-toeing out of the assembly.

We have at great length prepared most convincing speeches on the cost of maintaining institutions of this kind, and nobody seems to remember what we have said.

But when you commence to talk about the children themselves; their daily doings and sayings, their hopes and fears, people wake up. They are not even content to let you stop at the regulation stopping time.

In fact, we had a most unusual experience one time when a member in a congregation insisted that the speech continue after the speaker had sat down.

If you are speaking on Orphanage work, and confine your remarks entirely to the actual experiences of the young people, you will never have an audience to walk out on you. We have found out something else, too: very few Orphanage talks are prepared and delivered without the thought of money in the background at least. We have prepared (as we thought) most convincing arguments, and have sometimes failed to note any improvement in contributions where this speech was delivered.

At other times, we have used up so much time in talking about the children that there was not enough time left to present the money needs of our Institution; and yet, strange to say, we have noted an improvement when such a thing happened, we believe, more often than where the money part of the address was the main part of it.

What does all this prove? To our minds, it proves that people are very human, very lovable; that they take their obligations toward the Orphanage work more as a privilege and a pleasure than a duty. They do not want you to present them a bill for services rendered, but they do want to know something about the family of which they are a part. It is something like hearing from your son or daughter at college. Of course letters from that source do usually contain a bill, or a request for money, but we are all more interested in how they are getting on; what progress they are making, and the details of their lives than we are in the reasons for such and such items on the bill.

There are some interesting things happening every day and every hour at our great Institution here. Some of them are amusing, some pathetic. All are interesting. Sometimes things will happen and we dread the reaction that it may have on our youngsters. We are often surprised and delighted to find that a different reaction has taken place. As an illustration:

Early this fall we discovered that our Santa Claus was not going to be able to cover as much territory as in former years. In fact, the letters could only be received from the smaller children up through the fifth grade.

We dreaded to make this announcement to our young people, because we know how much they have enjoyed in the past, the preparing of their Christmas letters and receiving the gift afterwards. We were not quite prepared for the reaction that did actually take place. Instead of hearing complaints, we had several children come to us who were below the sixth grade, and ask us not to include their letters, but to allow some other children who would not otherwise get a chance to take their place. It really looks as though our Christmas is going to be happier than it otherwise would have been, because a lot of our youngsters are on the lookout for chances to do something for those who this year will be deprived of the attention usually given them from Santa Claus.

There are similar illustrations, and incidents that we could mention showing the reaction of our family to hard times. We couldn't feel bad about these things, if we wanted to. In fact, we feel just the opposite. We believe that we can detect something of this attitude in the letters that accompany the contributions that we are receiving at this time.

Not all of these contributions are as large as they were last year, but there are more of them. Churches which have not thought they were able to do anything, are contributing some this year, and we don't think it is imagination when we say that we feel the same sort of spirit prevailing among these contributors as we have noted among our children here—giving up something very much cherished to make somebody else happy. The business of sharing, we believe, is permeating our Church, and we are delighted to find it present in our big family here.

—P. O. H.—

OUR SALVATION

The further we delve into the financial side of the Orphanage, the more convinced do we become that the salvation of the Institution from the financial encumbrances that now burden it can come only through regular, systematic support. We do not mean, in that statement, to minimize the importance of the Thanksgiving Offering, for without it the Orphanage might have to close its doors or curtail its work to a point where it would be negligible in service to the Synod of this state.

But we have observed in reviewing the record of giving by many churches in the Synod, that it is only at Thanksgiving that the congregation of the church, or the members of the Sunday School and Auxiliary, give financial expression to their interest in the Orphanage, and they wait another whole year before the needs of Barium are brought to their attention.

We do not think in terms of finances when we advocate monthly contributions to the Orphanage, for while these people are making their gifts regularly the interest in Barium and several hundred children is kept constantly alive. This interest is personal and they spread the gospel to others, with the result that there is a perennial interest in our welfare that has favorable reaction throughout the year, and receives added monetary manifestation on Thanksgiving.

The treasurers of many organizations have been written, soliciting the support of their particular group regularly. We are pleased that there have been a number of them who have started sending monthly contributions, and the sum total will amount to considerable at the end of the year. Yet, there are many who have not replied to those letters, positively or negatively. These treasurers were not asked to reply, but we thought that their interest in the little tots here would be sufficient for them to give some expression as to why they were not contributing, or for them to start their monthly offerings.

We have been interested in those letters which were written to us, stating the causes why it would be impossible for this and that organization to contribute. We have found in several instances, that they were not masters of their monies, but that the group's offering was already allotted before it was ever given in helping support some other part of the church endeavor, or the church itself. Others have replied that their church is heavily in debt, but we wonder what Barium would do if all those churches with a debt withdrew their support from the Orphanage!

Barium does not ask much from its 75,000 Presbyterians. One dollar and twenty cents per member, which would include the Thanksgiving Offering, seems comparatively small to operate an institution that is sheltering between three and four hundred children. It would seem large if Barium merely gave it boys and girls bread and water and a place to sleep. But that is not the extent of the church's responsibility to its homeless ones. They must be educated, they must be properly supervised, they must be given the advantages that otherwise would not be theirs unless the church maintained a centralized plant for their care. All of this amounts up.

So many of our church people have the idea that their responsibility to the Orphanage ceases when they put their offering in at Thanksgiving. We are thankful, though, that many others do not have this idea, and that they are responding regularly to Barium. Oftentimes we have to keep the modest salaries that are paid the workers in the vault because we do not have the funds to pay them. Our creditors have to be postponed and postponed until it becomes humiliating to write them, and we would like to slip away if we knew they were coming to see us.

This is a responsibility which the officials at the Orphanage have had to assume, when in reality it is the responsibility of the entire Synod of North Corolina. You send us the children, and we can not sit idly by and let them suffer, though it might mean mental anguish to us later when we try to meet the obligations incurred to give them the necessities. What we would like to do is to transfer each individual of the North Carolina Synod to Barium the first of each month and let him try to figure out some way to pay our bills. If it could be done each time, then the person who evolved the scheme would be a genius. He would not be working with an orphanage, but would be sought by the highest financial tribunals of the world.

But these bills can be paid, the present curtailed number of children can be cared for, and many others could be accepted at Barium who are now being refused admission only to live a life of desolation. This would be possible if ALL churches and ALL of their organizations would set aside a sum for the Orphanage each month. It need not be such a great amount, if ALL did this, for we would be getting funds from over a thousand organizations, and the total each thirty days would make our work happier than it now is, and would be a source of happiness to all 75,000 Presbyterians to know that they were acceptably making a "visit to the fatherless in their affliction."

—P. O. H.—

HOME-COMING DAY

Our Home-Coming Day gets bigger as we attempt to have more attractions on that day. A lot has been written about the football game between Barium and Greensboro that took place, and at which quite a number of old Barium Springs boys and girls were present. It was no doubt their presence that inspired the Barium team to play the kind of game that they did.

It is just possible that this feature of Home-Coming may some day become big business, but we do not believe that the meeting of the Alumni themselves will ever get up into that classification, and we are rather glad of it. The meeting of the Alumni Association looks more like a family reunion than it does a convention as so many Alumni Associations are apt to grow into. These meetings are small enough so that quite a bit of time can be spent in reminiscences and in renewing old friendships. The business part of it is soon dispensed with.

Another beautiful thing about this meeting is that no matter when you happened to be at Barium, you are sure to find someone here that you knew as a child. That has been true of every Home-Coming Day we have ever had since its beginning.

There are several people that you will always find here. Mr. Hipp, for instance, who entered among the very first. I believe he is No. 12 in the list of the children that entered the Orphanage. He is the only one of the ones returning that can tell his own tales without having someone to corroborate them. He is the oldest Alumnus that attends the reunions. There is the Ferguson family which came not so long after, and Rowland Ferguson would no doubt tell some tremendous tales, were it not for the fact that he is hedged in on both sides by people that were here with him; and this cramps his style tremendously.

There may come a time when he will be the oldest Alumnus attending the meetings and then we will no doubt hear lots of things about the Orphanage in his day. By the way, Mr. Ferguson was president of the Alumni Association and has always been one of the most enthusiastic members and certainly does help make each meeting a success.

Among the older members of the Association, there was Mrs. Ross of Charlotte, who was "Cora Shields" as a girl. Then the whole McConnell family was back this time. They were here as children from 1908 to 1916. Then, our neighbor, W. T. Warlick who was here from 1906-16. He lives right here in Statesville, but is such a busy man that it has to be a holiday before he can come down and see us. Warlick makes up for lost time when he does come.

The President, James P. Gray, no doubt knows more of the Alumni individually than any other man. His years here as a student from 1902-10 cover one period. And then, his years here as a worker cover another; and then his present work in Statesville with The Statesville Daily has kept him in close touch with the Orphanage in the years since.

All in all, our impressions of Home-Coming Day was that it was one of pleasure. The sun was shining on our meeting, both actually and figuratively, and we all went home feeling that it was good to meet together.

COTTAGE NEWS

BABY COTTAGE

On November 1st we enjoyed visits from the Regents. One of the Regents, Mrs. Harper of Wilmington, brought us a nice box of things, containing sun bonnet curtains, spreads and pillow cases, all of which were made by the Daily Vacation Bible Class. We are very grateful to Mrs. Harper and her class. Someone else was also thoughtful and brought us a supply of candy when they came. It was enough for the entire dining room. Was it good? My, you should have seen us eat it.

We are having a big time wearing our new clothes which our clothing people have been sending us. Our friends have been kind to remember us in cold weather by sending us comforts and blankets.

We were glad to welcome many of our old friends here on Home-Coming Day, November 11th. Particularly were we pleased to have Ruth Spencer, one of our former girls, and her sister-in-law.

Mama Girt was delighted with a short visit from her former pastor, Rev. J. T. Barham on the day of the Sanford-Barium football game. He brought a carload of Sanford football players with him.

Mr. Sams, the kind manager of the Playhouse in Statesville invited, everybody to the picture show, "Pack Up Your Troubles," and later invited us to another picture, "You Said a Mouthful." The children enjoyed these pictures so much that they have been imitating the actors.

Since our whooping cough left us we decided that we could not get along without having the mumps. One day, Mabel Weddington asked, "Phillipina, what color are Charles' mumps?"

Mama Girt went on a short business trip. She and Miss McGoogan went together. We missed them very much, but were glad to have Misses Faye and Mildred Stevens for our temporary matrons.

On November 20th. eight of us went to Winston-Salem to give a program, but instead of giving one program, as intended, we gave two One was at the First Presbyterian Church, and the other at Reynolda. Mrs. George Norfleet sent cars for us and we were invited to her home. She and some other kind friends of Winston gave us many nice gifts, including tea sets, trucks, chewing gum, candy and fruit. We enjoyed every minute of the day and hope they enjoyed our program and will let us come again.

It seems as if programs must be our hobby, for the Monday after we went to Winston-Salem we went to Salisbury to give one before the Woman's Auxiliary.

Oh boy! If the folks who sent us the cakes, chicken and ice cream on Thanksgiving could have seen us hiding it, it would have done their hearts good. That day we had visitors from Greensboro and Leaksville to visit us.

The babies and Misses Greene and Doggett were invited to Charlotte to give a program and to have supper a few days after our Salisbury trip. The ladies were very good to us. They gave each one a nickel and a penny. For supper we had chicken and chicken dressing. On the way back, Raymond Jessup asked, "Miss Greene, who made that chicken's dress? I never did see a chicken wearing a dress".

Friday after Thanksgiving Mama Girt had a visit from her two sons, Murphy and John.

On December 8th. we enjoyed see-Mrs. J. H. Hill, a former matron at Barium.

HOWARD

We are busy getting ready for Santa Claus, and if you will come to see us about six o'clock Christmas morning you will see why we are so anxiously awaiting the arrival of that gentleman from the North Pole.

Our happiness over the approach of Christmas, however, is disturbed by the knowledge that mid-term examinations are coming before Santa Claus does.

We have had two good pictures recently and hope we will have some more soon.

We are looking forward to the basketball season, and feel that our teams will do some good playing.

No more news from us will be written this year. —Howard Girls

LEES

Hello, everybody! It has been mighty cold here, but it is now warmer. We are hoping that it will snow for Christmas, which is not far away. We hope that everybody will have a happy Christmas.

Arnim East, one of our boys, had an accident some time ago when he cut his hand. Just as it was getting well he swallowed a quarter and had to go to the hospital to have it taken out. Somebody asked him if he got the quarter, or twenty cents in change.

Football is over at Barium, but basketball is here now. We won most of our football games, and hope that we will win all of the basketball contests. —Neal McKee and David F.

WOMEN'S BUILDING

Yo—ho! for Christmas! Only a few days away! Then holidays will be here. Some of the girls who live near Barium are going home for Christmas.

Last Sunday our Mission Band, under the direction of Mrs. Jos. B. Johnston, gave a Christmas program, and the following Monday night the Women's Auxiliary gave one.

Mrs. Johnston also entertained the Mission Band with a "tacky party" and candy pulling last Saturday night. You would not have recognized us as being the same people had you seen us when we walked into her home. It was a most successful party.

Our football is over, but then we have basketball, boxing and wrestling.

The girls had a basketball game last Thursday and what a game! We had a tough fight. When the whistle ended the regulation game the score was tied, 15 to 15, but we came out victorious in the extra minutes of playoff, winning 16 to 15. The victory was over the Mt. Ulla girls.

Mary Lathan West, Nellie Culp, Florence Drye and Marguerite Gaskill, the appendicitis patients, are getting along fine.

Marguerite Gaskill

INFIRMARY

Just 22 more days until Christmas as we write this, and we wish that it was already here. We can't make it come sooner than scheduled, so we suppose we will have to contently wait for December 25th.

Thanksgiving is over and we all had a delightful time. Vivian Bobbitt had a pleasant visit from her people on Thanksgiving Day.

We are glad that a number of appendicitis patients have been able to return to the campus. We have had three operations recently, and all patients are getting along splendidly. We hope that Florence Dry, who is now in the hospital, will get along fine with her operation.

We sure do miss Bobbie since his mother took him home, and we hope that she will remember to bring him to see us sometime.

There are only six patients at the Infirmary now, which is a small number for the winter months.

Miss Moore, our nurse, is fixing a box for the mountain children for Christmas.

——P. O. H.——

RUMPLE HALL

Everyone seems to be happy at Rumple Hall today, because Christmas is not very far off, which means school holidays will be enjoyed.

Thanksgiving has just passed, and we had a lovely day. Our friends were so thoughtful of us, and they made it possible for us to have a real Thanksgiving dinner.

We have missed Mrs. Purdy, our dining room matron, who has been confined to her room for the past three weeks with a broken ankle. We are counting the days until she will be back with us.

A number of our girls have been nursing cases of mumps, but they're all well today.

Miss Turner entertained the girls who made the honor and merit roll in October with a dinner last Saturday night. The ones included were Louise Wilson, Lucile Burney, Nellie Johnson and Bernice Stone.

Alice Pittman enjoyed a nice visit from her mother and brothers on Thanksgiving.

——P. O. H.——

SYNOD

We have written our letters to Santa Claus, who perhaps has already started on his journey, and we are very anxious for Christmas to come.

The boys and girls at Barium are practicing basketball now, and we expect to have some good teams and to see some excellent playing.

Miss Johnston told the boys at her table that she would give a nickle to each one who made the highest mark on deportment. She was quite surprised and financially embarrassed when so many of us made 95.

Will leave you now until after Santa makes his visit. Merry Christmas.—Nelson Farmer, Miller Blue.

——P. O. H.——

FARM

Here we are again to tell you of the happenings of this distinguished group.

We have been shucking the corn which we received from our other farm, the McDonald.

About 100 hogs have been killed for our supply of meat during the winter and next summer.

The wheat that we sowed has sprung up, and has made the fields a carpet of green.

There will be little stump pulling this winter on account of the six car-loads of corn that we have to shuck.

Mr. Cavin, farm foreman, had a flag pole 48 feet high placed near the football scoreboard at the end of Sloan Field and put up two flags on it, one the United States flag, and the other the Barium Springs waver.

ALUMNI EVENTS

University last year.

In her letter to the Orphanage, Zora Lee, of Valdese, stated that another Barium girl, Louise Williams is also in Valdese, having left here to stay with relatives last summer. Sylvia Brown is making her home in Valdese with Mrs. Ghigo, a former matron at the Orphanage.

Robert A. Wilkes, who left the Orphanage in 1928, has been honorably discharged from the U. S. M. C., and is now temporarily located in Greensboro.

Sam C. Jackins, who left Barium in 1924, has been made manager of the White Truck Sales Company at Shreveport, La. For eight years he has been with the White Company, but left them to accept the managership he now holds.

J. D. Lackey, one time student at Barium, now a Junior at Georgia Tech, and a prominent member of the Tech football team, is at present enroute to Berkley, California, with the Georgia-Tech team to play the University of California a game of football on Saturday, December 17th. This trip will not be just for football. It will be made in easy stages through the Grand Canyon, and the return trip will be through the Panama Canal, with a side trip to Cuba, finally arriving in Atlanta on New Year's Day.

News comes from Monroe, Georgia, that Bill McKay, a prominent member of the 1930 Barium Football team, where he was known as the "Loping Locomotive" has earned himself another title. Now the "Iron Man," the only man in the whole Conference of Prep Schools in Georgia that played every minute of every game this season, and did not have any "time out" taken for him for anything. His coach who is the famous Red Barron, of Georgia Tech has this to say about him: "If I had two more players that anyways equalled McKay, our team would have won at least two more games that were dropped by close scores. As it is McKay and Griffith were almost directly responsible for Monroe defeating G. M. and Riverside in the only games that my team won this season. McKay did all the passing, punting, and was seventy-five percent of the offensive and defensive strength of the Monroe team."

We will no doubt see McKay in the Georgia Tech Freshman lineup next season, making new names for himself.

Among the men receiving letters for football service at Davidson for this past season, we find the names of A. J. Potter and Julian West. Julian was captain of the 1929 Barium Springs team. He was captain of the 1930 Davidson Freshman team.

Potter was a mebber of our 1930 football team, and was the captain of the 1931 Davidson Freshmen.

We have not heard of the awards of the Monograms of the Davidson Freshman players this year, but we are expecting to find the following names among those receiving this honor: Pittman, Sears, Clark, Cumbie, Lee and Johnston, all of the 1931 Barium Springs team. We might accidentally see Robert Blue's name in that list. Robert was captain of our midget team at Barium, and saw some service in the Freshman squad at Davidson. The only reason he is not a regular is because he just weighs 110 pounds.

MARRIAGES

Bustle-Falls

The following announcement has been received at Barium: "Mr. and Mrs. Edwin Gustavus McLurd announce the marriage of their daughter, Eva Geddes Bustle, to Harry Watson Falls on Thursday, November 10th. At home, 513 West Third Avenue, Gastonia." Miss Bustle left Barium in 1925, and after completing her high school work she attended North Carolina College for Women, from which she graduated.

Johnson-Roe

Information has been received at Barium about the marriage of Miss Edith Johnson to J. D. Roe, of Charlotte, which took place on November 11th. Miss Johnson graduated from Barium in 1928, and has been working with the American Trust Company in Charlotte. They are making their home in that city.

Todd-Tate

Miss Marguerite Harding Todd, 1931 graduate of Barium, and James Albert Tate were married at 9 o'clock Saturday, November 26th., at Danville, Va., in the presence of a few intimate friends. Miss Tood attended the North Carolina Woman's College in Greensboro after leaving Barium, and for the past year has been connected with the Woolworth Company. Mr. Tate received his education at the Monticello School and has since been employed by the State Highway Commission. Mr. and Mrs. Tate are at home at 216 E. Bragg St., Greensboro.

Whitlow-Kipka

Miss Fannie Whitlow, 1930 Barium graduate of Mooresville, and Edward Kipka, of Harmony, were married in Danville, Va., at 5 o'clock November 23rd. Since leaving Barium, Miss Whitlow has been a student nurse at Lowrance Hospital in Mooresville. Mr. Kipka is a native of Mooresville, but is now a member of the high school faculty at Harmony. Mr. and Mrs. Kipka are residing in Harmony.

BIRTHS

Dr. and Mrs. Maurice G. Beal, of 804 E. 33rd. St., Portland, Oregon, announce the birth of a dughter, Mary Ann, on June 28, 1932. Mrs. Beal was formerly Martha Boyce, who graduated from Barium in 1922. She sent a photo of little Mary Ann to "Grandpapa" Jos. B. Johnston.

Mr. and Mrs. A. V. Patsch, Jr., of 2116 Avondale Ave., Charlotte, announce the birth a son, Arthur Vernon, Jr., on November 27th, 1932. The young heir weighed eight pounds. Mrs. Patsch was formerly Thelma Shaffer of the class of 1927. Uncle Ray Shaffer, who is still at Barium and graduates in June, grinned magnificiently when he was first spoken to as "Uncle Ray."

win a "glorious victory."

All of the alumni attended the football game, where they saw Barium triumph over Greensboro, 28-0, to close an unusually successful fourth Home-Coming.

Below is a list of the alumni who put their names in the registration book at Barium on Home-Coming Day. The Messenger has added data about the years these people were enrolled at the Orphanage. It is believed that a number of other alumni were present, but they failed to register. The roster follows:

A LETTER

Mr. Jos. B. Johnston,
Presbyterian Orphans' Home,
Barium Springs, N. C.

Dear Mr. Johnston:

We had hardly gotten home from our trip to Barium Springs and the Greensboro football game when we were plunged into the last minute rush of our big Fall concert and when that was over there was all the rush of the many things which had to be postponed until after the concert was over. During that time I had a very definite intention of writing to tell you how we had enjoyed our trip to your hospitable campus, an intention which I am afraid we did not get carried out.

We go to a great many places in the course of our work and no two of them are alike. Among them all I do not believe there is another which has the atmosphere of genuine friendship which we always find with you. You feel it in the air almost before you meet any of the folks. There is no greater pleasure in this game of music than playing for folks who give every indication of actually enjoying what you are doing.

With best personal regards, I am

Cordially yours,
James C. Harper

VARSITY FOOTBALL

masterful playing by swamping Greensboro high school by the one-sided score of 28 to 0. This game was staged on Home-Coming and Armistice Day and the largest crowd of the year witnessed the riot of the Greensboro boys.

Barium first scored after a 90-yard march, Hannon going the last 46 yards for a touchdown on an off-tackle play. Archer scored another when he took a 19-yard pass from Oliver and wriggled 12 more yards across the goal line. Oliver broke away for 76 yards before he was overhauled from behind, but he scored three plays later on a line buck. Oliver made the last touchdown when he intercepted a pass and went 54 yards for six points. King perfectly placekicked all extra points.

On November 17th., Barium won the 1932 Orphanage Football Championship when it defeated a scrappy Oxford Orphanage eleven 24 to 0, in a game which was played on the field of the World War Memorial Stadium in Greensboro. Oxford held Barium to a 6 to 0 score in the first half, Oliver going around right end for 25 yards and a tally near the end of the initial quarter.

But Barium made three six-point counters in the last period. Oliver skirted left end 20 yards for a touchdown. Barium made a 65-yard march, Oliver tallying on a four-yard line smash, and King scored the final touchdown when he took a 10-yard pass from Oliver and went 36 more yards for a counter.

After a 10-day period of inactivity, Barium went to Winston-Salem for a clash with Winston high and returned home with a 19 to 6 defeat. The latter scored more points against Barium than all of the other opponents of the Orphanage had made throughout the season. All of Winston-Salem's points came in the second quarter. A blocked and recovered punt, plus a 30-yard pass paved the way for Winston's first score, Smothers smashing one yard across. Wimbish scored the other two for Winston, when he went 44 yards around right end to tally, and when he traveled 57 yards for a score on a pass interception.

Barium's lone touchdown came in the last bracket, when Oliver crashed two yards after a sustained 73-yard march. The Orphanage made threats in these two periods, but they went for naught as Winston-Salem held for downs.
